	Conduct fodder Demonstrations	No of Demonstrations conducted	NO	805	800	800	880	1000

***FY 11/12 values to be finalized by the department**

Description and definition of success indicators and proposed measurement methodology.

Fodder seed Production:-Increase in yield per hectare of fodder varieties

Training : training to veterinary officials as well as extension officers

Fodder demonstrations: Demonstrations on improved technology on farmers field

Specific performance requirements from other department

1. ICAR and Department of Agriculture and Co-operation:-will be responsible for making available improved varieties and quality fodder seeds well in advance as the farm is fully dependent on it. Extension agencies like KVKs, NGOs will be responsible for the transfer of technologies.
2. State government : State Government are implementing some of programmes like Central Minikit Programmes. If there is an abnormal delay in transfer of funds ,the implementation suffers.
3. Implementation agencies: Farm is not fully adequately staffed then the implementation suffers.
4. Planning commission:-For allocation of requisite funds to ensure unhindered implementation.
5. The quantity of breeder seed indented is based on the quantity produced by the Department of Agriculture and Co-operation which in turn collects indents from various seed agencies including State Department of agriculture
